Attorneys for Benjamin Cottman

UNITED STATES DISTRICT COURT

DISTRICT OF NEVADA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

BENJAMIN COTTMAN,

Defendant.

Case No.: 2:10-cr-00417 KJD-VCF

**STIPULATION TO CONTINUE
HEARING ON REVOCATION OF
SUPERVISED RELEASE**

(THIRTEENTH REQUEST)

COME NOW the Defendant, Benjamin Cottman, by and through his counsel, Lisa Rasmussen, and the United States of America, by and through its counsel, Assistant United States Attorney Allison Reese, and hereby stipulate as follows:

1. Mr. Cottman's hearing on the revocation of his supervised release is presently scheduled to be heard by the district court on April 12, 2022.

2. Mr. Cottman was scheduled to be sentenced in his other case, , United States v. Benjamin Cottman, 2:18-cr-00219 JCM-DJA, on April 24, 2022, but it appears that defense counsel in that case will be requesting one additional continuance.

3. As counsel in *this case* have previously explained, it makes the most sense
STIPULATION TO CONTINUE HEARING ON REVOCATION OF SUPERVISED RELEASE (THIRTEENTH REQUEST) - 1

1 to permit Mr. Cottman to get sentenced in the other case prior to having a hearing on
 2 the revocation in this case. It is possible that the parties can reach an agreement in this
 3 case once Mr. Cottman is sentenced in the other case. If not, we can proceed with the
 4 hearing in this case following his sentencing in the other case.

5 4. To the extent that Mr. Cottman's current counsel in the other case will be
 6 requesting additional time to prepare for sentencing, it makes the most sense to
 7 continue the revocation proceedings in this case to trail the sentencing currently
 8 scheduled to a date in July 2022 or later.

9 5. Mr. Cottman is in custody and is not prejudiced by waiting to have the
 10 revocation hearing in this matter moved to a date after July 15, 2022.

11 6. Although there have been several prior stipulations to continue this
 12 matter, some prior to the undersigned coming in as counsel, this stipulation is not made
 13 for the purpose of delay, rather it is more practical to hold the sentencing hearing in the
 14 other case first, and then have the revocation hearing in this case.

15 7. The sentence imposed in the other case could potentially factor into any
 16 decision the parties may make about a stipulated revocation term, or, alternatively, it
 17 could factor into any decision this court may make absent a stipulation.

18 Accordingly, the parties stipulate to continue the revocation hearing to a date
 19 after July 15, 2022.

20 Dated this 31st day of March 2022.
